Fúinn...

Bunaíodh Feachtas sa bhliain 1980 chun an Ghaeilge a chur chun cinn i measc daoine óga agus chun cuidiú le forbairt phearsanta agus shóisialta an duine óig.

Creideann Feachtas gurb í úsáid na Gaeilge sa phobal i measc an aosa óig an rud is tábhachtaí do thodhchaí na teanga.

Tá sé mar aidhm againn úsáid shóisialta na Gaeilge a éascú trí ghréasáin a fhorbairt do lucht óg na Gaeilge.

About us...

Feachtas was founded in 1980 to promote the use of Irish among young people and to aid their personal and social development.
